Dear Customer:

Most of you who receive this list are old friends. Scores amongst you have written letters complimenting us on our stock and quick service that we have been able to give you in the past. We prize these letters very highly, and we will continue to do everything possible to deserve such praise.

Favored by the exceptionally cool and moist spring, with no freeze-back, we have a stand of Lilies here, around this neck of the woods, such as I can't remember from 'way back when, and I am getting pretty old, already. This gives us a reasonable surplus over sales, so we will be able to take care of a few more customers. There are a number of very rare, scarce and unusual items on this list. If you have any special desire of acquiring them, we recommend that you speak for them by return mail.
